

## The Trip

Eagle Patrol arrived at the 1\_\_\_\_\_ at 3 o'clock; they got all their gear together and started their journey along the 2\_\_\_\_\_. When they reached the 3\_\_\_\_\_ they took the turning along the 4\_\_\_\_\_.

They chatted about all the activities that they had been doing as they walked along; they then saw that they were now walking through an 5\_\_\_\_\_. Once they came out from the other side they noticed a 6\_\_\_\_\_ to their left and decided to explore. So, they followed the 7\_\_\_\_\_ which took them there. When they got there, they saw an 8\_\_\_\_\_ they went in and spoke to the lady who told them there was a 9\_\_\_\_\_ just at the back. So, they went there and sat down to eat their packed lunch.

After they had finished their lunch they set off again, as they walked along they passed a 10\_\_\_\_\_ and a bit further on they saw an old 11\_\_\_\_\_. After a while they arrived at a village. As they went along, they passed the local 12\_\_\_\_\_ and not long after that they saw the 13\_\_\_\_\_.

where they decided to stop and buy an ice cream. Feeling refreshed they continued with their hike and it was not long before they arrived at the 14\_\_\_\_\_ they wanted to look in.

Having spent some time having a good look around they left and went along the 15\_\_\_\_\_ which took them to the 16\_\_\_\_\_. They spent some time here looking at all the birds and small animals before heading back the way they had come, through the 17\_\_\_\_\_ and back along the road. As short way along they turn onto the 18\_\_\_\_\_ and along through the 19\_\_\_\_\_ until they came to the 20\_\_\_\_\_ which they crossed. Once across they found themselves on a 21\_\_\_\_\_. They then took some time to look around.

They left by walking through the 22\_\_\_\_\_. As they left they saw in front of them the 23\_\_\_\_\_ and on checking their watches saw that they were just in time for the train home. They chatted all the way home having had a great day hiking.
